Re: Ethics Undertakings

Dear Mr. Huitema:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in my position as a Senior Advisor in the Office of the Deputy Secretary of State for Management and Resources. It is my responsibility to understand and comply with commitments outlined in this agreement.

SECTION I – GENERAL COMMITMENTS

I am committed to the highest standards of ethical conduct for government officials. As required by the criminal conflicts of interest law at 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the particular matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me:

- Any spouse or minor child of mine;
- Any general partner of a partnership in which I am a limited or general partner;
- Any organization in which I serve as an officer, director, trustee, general partner, or employee; and
- Any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

In the event that an actual or potential conflict of interest arises during my appointment, I will consult with an agency ethics official and take the measures necessary to resolve the conflict, such as recusal from the particular matter or divestiture of an asset.

In addition, I will recuse myself from participation on a case-by-case basis in any particular matter involving specific parties in which I determine that a reasonable person with

knowledge of the relevant facts would question my impartiality in that matter, unless I am first authorized to participate, pursuant to the impartiality regulations at 5 C.F.R. Part 2635, Subpart E.

If I have a managed account or otherwise use the services of an investment professional during my appointment, I will direct the account manager or investment professional to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the regulatory exemption for diversified mutual funds and unit investment trusts at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account manager or investment professional is following this direction regarding prior approval.

SECTION 2 – RESIGNATIONS

Prior to assuming my position with the Department of State, I resigned from my position with PenFed Foundation. Pursuant to the impartiality regulation at 5 C.F.R. § 2635.502, for a period of one year after my resignation from this entity, I will not participate personally and substantially in any particular matter involving specific parties in which I know this entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

SECTION 3 – ETHICS PLEDGE

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order No. 13989) and that I will be bound by it. Among other obligations, I will be required to recuse from particular matters involving specific parties involving my former employer or former clients for a period of two years after I began my position, with the exception of states and local governments.

Sincerely,

(b)(6)

Maren Brooks
