Death Is Nothing at All Canon Henry Scott Holland, 1987 A comforting bereavement gift book, consisting of a short sermon from Canon Henry Scott Holland.

Grief Is the Thing with Feathers Max Porter, 2016-06-07 Here he is, husband and father, scruffy romantic, a shambolic scholar—a man adrift in the wake of his wife's sudden, accidental death. And there are his two sons who like him struggle in their London apartment to face the unbearable sadness that has engulfed them. The father imagines a future of well-meaning visitors and emptiness, while the boys wander, savage and unsupervised. In this moment of violent despair they are visited by Crow—antagonist, trickster, goad, protector, therapist, and babysitter. This self-described sentimental bird, at once wild and tender, who finds humans dull except in grief, threatens to stay with the wounded family until they no longer need him. As weeks turn to months and the pain of loss lessens with the balm of memories, Crow's efforts are rewarded and the little unit of three begins to recover: Dad resumes his book about the poet Ted Hughes; the boys get on with it, grow up. Part novella, part polyphonic fable, part essay on grief, Max Porter's extraordinary debut combines compassion and bravura style to dazzling effect. Full of angular wit and profound truths, *Grief Is the Thing with Feathers* is a startlingly original and haunting debut by a significant new talent.

Slamming Open the Door Kathleen Sheeder Bonanno, 2016-04-01 Of all the losses we may be asked to bear, the murder of one's child must be the most terrible. These poems evoke that keenly, seeking justice but transcending judgment as they grieve loss, celebrate love, and find healing.

Upstream Mary Oliver, 2019-10-29 One of O, The Oprah Magazine's Ten Best Books of the Year The New York Times bestselling collection of essays from beloved poet, Mary Oliver. "There's hardly a page in my copy of *Upstream* that isn't folded down or underlined and scribbled on, so charged is Oliver's language . . ." —Maureen Corrigan, NPR's Fresh Air "Uniting essays from Oliver's previous books and elsewhere, this gem of a collection offers a compelling synthesis of the poet's thoughts on the natural, spiritual and artistic worlds . . ." —The New York Times "In the beginning I was so young and such a stranger to myself I hardly existed. I had to go out into the world and see it and hear it and react to it, before I knew

at all who I was, what I was, what I wanted to be.” So begins *Upstream*, a collection of essays in which revered poet Mary Oliver reflects on her willingness, as a young child and as an adult, to lose herself within the beauty and mysteries of both the natural world and the world of literature. Emphasizing the significance of her childhood “friend” Walt Whitman, through whose work she first understood that a poem is a temple, “a place to enter, and in which to feel,” and who encouraged her to vanish into the world of her writing, Oliver meditates on the forces that allowed her to create a life for herself out of work and love. As she writes, “I could not be a poet without the natural world. Someone else could. But not me. For me the door to the woods is the door to the temple.” *Upstream* follows Oliver as she contemplates the pleasure of artistic labor, her boundless curiosity for the flora and fauna that surround her, and the responsibility she has inherited from Shelley, Wordsworth, Emerson, Poe, and Frost, the great thinkers and writers of the past, to live thoughtfully, intelligently, and to observe with passion. Throughout this collection, Oliver positions not just herself upstream but us as well as she encourages us all to keep moving, to lose ourselves in the awe of the unknown, and to give power and time to the creative and whimsical urges that live within us.

Losing a Son to Suicide Randall L. Stepp, 2014-06-07 My personal story of losing my 15 year old son Brandon to suicide. In the wake of his suicide, I began writing poetry to process the flood of emotions that I was dealing with. If you have lost someone you love to suicide, then every word in this book will resonate with you. If your life hasn't been touched by suicide, then my thoughts and poems will provide a glimpse into the carnage left behind when you lose a loved one to suicide.

Knock Knock Daniel Beaty, 2013-12-17 Winner of a Coretta Scott King Illustrator Medal and the Boston Horn Book Award A simple, powerful book for children, about an absent father and the love he leaves behind Every morning, I play a game with my father. He goes knock knock on my door and I pretend to be asleep till he gets right next to the bed. And my papa, he tells me, I love you. But what happens when, one day, that knock knock doesn't come? This powerful and inspiring book shows the love that an absent parent can leave behind, and the strength that children find in themselves as they grow up and follow their dreams.

The Dead Father Donald Barthelme, 2014-05-06 *The Dead Father* is a gargantuan half-dead, half-alive, part mechanical,

wise, vain, powerful being who still has hopes for himself—even while he is being dragged by means of a cable toward a mysterious goal. In this extraordinary novel, marked by the imaginative use of language that influenced a generation of fiction writers, Donald Barthelme offered a glimpse into his fictional universe. As Donald Antrim writes in his introduction, *Reading The Dead Father*, one has the sense that its author enjoys an almost complete artistic freedom . . . a permission to reshape, misrepresent, or even ignore the world as we find it . . . Laughing along with its author, we escape anxiety and feel alive.

Am I Like My Daddy? Marcy Blesy, 2019-10 Join seven-year-old Grace on her journey through coping with the loss of her father while learning about the different ways that people grieve the loss of a loved one. In the process of learning about who her father was through the eyes of others, she learns about who she is today because of her father's personality and love. *Am I Like My Daddy?* is a book designed to help children who are coping with the loss of a loved one. Children are encouraged to express through journaling what may be so difficult to express through everyday conversation. *Am I Like My Daddy?* teaches about loss through reflection. *Am I Like My Daddy?* is an important book in the children's grief genre. Many books in this genre deal with the time immediately after a loved one dies. This book focuses on years after the death, when a maturing child is reprocessing his or her grief. New questions arise in the child's need to fill in those memory gaps.

Lost Fathers Laraine Herring, 2005-03-03 Examines the long-term ramifications for adult women who, as adolescent girls, lost their fathers to death, divorce, or addiction; helps them understand how their behaviors were shaped by that loss at a pivotal developmental stage; and provides some interactive exercises to help them heal. Original.

He Never Came Home Regina R. Robertson, 2017-06-13 “The strong, authentic voices of the women sharing their own narratives and awakenings from life without fathers is the power of this book.” —Esme AAMBC Non-Fiction Self-Help Book of the Year AAMBC Breakout Author of the Year *He Never Came Home* is a collection of twenty-two personal essays written by girls and women who have been separated from their fathers by way of divorce, abandonment, or death. The contributors to this collection come from a wide range of different backgrounds in terms of race, socioeconomic status, religion, and geographic location. Their essays offer deep insights into the emotions related to losing one's father, including sadness, indifference, anger, acceptance—and everything in between. This book, edited by *Essence* magazine's west coast editor Regina R. Robertson, is first and foremost an offering to young girls and women who have endured the loss of their fathers. But it also speaks to mothers who are raising girls without a father present, offering important perspective into their daughter's feelings and struggles. The essays in *He Never Came Home* are organized into three categories: “Divorce,” “Distant,” and “Deceased.” With essays by contributors including Emmy Award-winning actress Regina King, fitness expert and New York Times bestselling author Gabrielle Reece, television comedy writer Jenny Lee—and a foreword by TV news anchor Joy-Ann Reid—this anthology illustrates the journey of the fatherless, and provides a space for these writers to

express their pain, hope, and healing, minus any judgments and without apology.

Finding Meaning David Kessler, 2019-11-05 In this groundbreaking new work, David Kessler—an expert on grief and the coauthor with Elisabeth Kübler-Ross of the iconic *On Grief and Grieving*—journeys beyond the classic five stages to discover a sixth stage: meaning. In 1969, Elisabeth Kübler-Ross first identified the stages of dying in her transformative book *On Death and Dying*. Decades later, she and David Kessler wrote the classic *On Grief and Grieving*, introducing the stages of grief with the same transformative pragmatism and compassion. Now, based on hard-earned personal experiences, as well as knowledge and wisdom earned through decades of work with the grieving, Kessler introduces a critical sixth stage. Many people look for “closure” after a loss. Kessler argues that it’s finding meaning beyond the stages of grief most of us are familiar with—denial, anger, bargaining, depression, and acceptance—that can transform grief into a more peaceful and hopeful experience. In this book, Kessler gives readers a roadmap to remembering those who have died with more love than pain; he shows us how to move forward in a way that honors our loved ones. Kessler’s insight is both professional and intensely personal. His journey with grief began when, as a child, he witnessed a mass shooting at the same time his mother was dying. For most of his life, Kessler taught physicians, nurses, counselors, police, and first responders about end of life, trauma, and grief, as well as leading talks and retreats for those experiencing grief. Despite his knowledge, his life was upended by the sudden death of his twenty-one-year-old son. How does the grief expert handle such a tragic loss? He knew he had to find a way through this unexpected, devastating loss, a way that would honor his son. That, ultimately, was the sixth state of grief—meaning. In *Finding Meaning*, Kessler shares the insights, collective wisdom, and powerful tools that will help those experiencing loss. *Finding Meaning* is a necessary addition to grief literature and a vital guide to healing from tremendous loss. This is an inspiring, deeply intelligent must-read for anyone looking to journey away from suffering, through loss, and towards meaning.
